

BARACK

SUMMER heart CORN tasseling sky,
PRAIRIE wheat fields sunflower sigh –
Well read moon august eyes,
CONCERN FOR OTHERS ON THE RISE.

EVER the leader feelingful kind,
TRUSTS himself exercises mind,
INDIVIDUATING clarifying fiery words –
OLIVE BRANCH different bird.

MEADOWLARKS SWEAR A MIRACLE,
CAREFUL ASSERTIVE EMPIRICAL –
STRETCHING REALITY'S TORN BORDERS,
FROM ETERNITY TIME FROM CHAOS ORDER.

NIGHT descends mountains near,
ONLY one way there from here –
HARD ROAD where you might get stuck,
IF YOU'RE STRONG THE WORLDS IN LUCK.
