

Charlie

Ride on rise up high ariel,
Light the sky set ablaze the cell –
Oh yes please that sacred world,
Hearts gold gates pearled.

Undo the narrative lead the sacrifice,
Unmake the madness whatever price –
Return the wonder time took for granted,
Straight bent normal slanted.

Elegance forgiveness forever outreaching,
Compassion clarity life beseeching –
Assertive independent notwithstanding,
Organized careful never demanding.

A love affair ineffable,
If you'll believe it possible –
Systems institutions works of art,
Patiently wait your kick start.
