

DUSTIN

SUMMER clouds meadowlands,
Valleys hilltops desert sands,
MOON inscribed lines of care –
Unpretentious being there.

TRACES of earth remembered rhythms,
Utopian threads familial visions,
SYNCHRONICITOUS moments undismissible dreams –
Waiting on you for what they mean.

CRITICAL mind creative heart,
At the banquet a la carte –
ASSERTIVENESS for middle name,
Getting late so glad you came.

SATURN gives the wheel a spin,
Stopping now where things begin,
Possibilities something new –
Always be the key for you.
