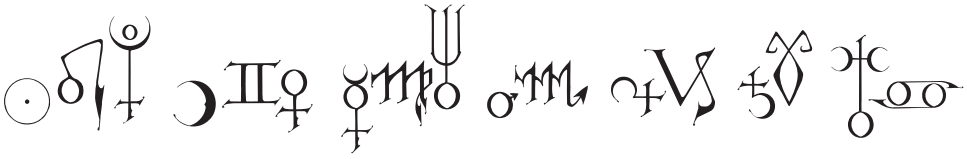
Garth



Harps wind angels singing,
Thunder pealing bells ringing,
Emergent love mysterious rhyme –
Must be part the end of time.

Dragon spirit mountain cat,
Learned skilled myriad hats –
Patient minded wants it right,
Lifelong drive through dead of night.

Checks his map Durangos near,
Independent if anythings clear –
A little worried he calls concern,
Knows how things can take a turn.

Despite the odds you still try,
Hope wonder a starry sky –
Possibilities check it out,
New is what your keys about.
