

James

Summer clover meadowlands,
Evergreen forest river sands –
Cobblestone streets wet with rain,
Glistening neon ancient stains.

Castle walls / feudal towers,
Walking home after hours –
Order / composure / unrepressed twinkle,
Understands perfect everything wrinkles.

Self-reflecting postmodern mirror,
Passing glances ultraviolet clearer –
Nursing complex self-controlled,
Self-organizing more than unfold.

Careful watches over waits,
Everybody knows it's way past late –
Beyond honesty what's needed next,
Envision life sustainable context.
