

Jeremy

Ageless hero legendary,
Finds lost socks / tames the scary –
Organized sensitive patient caring,
Understanding / dash of daring.

Notes anomalies / highlights details,
Corrects mistakes if something fails,
Follows pathways reason takes –
Puddle patterns pebbles make.

Analytical mind nursery heart,
Honest / truthful / equality made art –
Never a question where you stand,
Evenings out perfectly planned.

FOR everything a special place,
Loving memory each one's face –
Doubly-fuisse / guava salad,
Paradise would that be valid.
