**E**yes for daybreak everyone waiting,  
Impatient patience anticipating –  
An in-between us eternal claims,  
Carefully remembered/myriad names.

**C**lean clear ascending lines,  
Honest as mirrors unbelievable times –  
Cognitive critical analytical mind,  
Coherency courts/fog entwines.

**G**etting somewhere/bringing together,  
Heavy like gold/slight of feather –  
No hell exists can encroach your hallowed,  
Sooner capture fire than tame your shadows.

**S**pring moon summer lover,  
Emerging winged from diaphanous cover –  
Guardian spirit/teacher/friend,  
Returning our smiles/helping us mend.
