SUMMER RIVERS mask WINTER'S song,
MOUNTAINS through the valleys long –
SHIMMERING silver in noonday light,
SACRED blackness STARS at night.

EMERALD cut diamond/rose gold chain,
HOST of characters /many names –
IMMERSED in a dream NATURE entwined,
BEYOND clockwork /that well timed.

EMOTIONALLY strong /self-confident /free,
STORYTELLING with responsibility –
HONEST as Venus /a dancer's balance,
BELIEVES in Love if only a chance.

FEAR backs EARTH'S children 'gainst the wall,
STEEP price redemption if you recall –
AUGUST sun /faithful moon /Pisces rising,
FAIRY tale ending would not be surprising.
