Back from vacation/home once more,
A preference for order at your core –
Just after rain, the World made clean,
Willows swaying calm serene.

Confident, careful, things in place,
A gentle Soul in any case –
Fairness minded/patient/honest,
Hymn of Earth our Living nest.

Business acumen/children worries,
Striving for unity beyond categories –
Knows that deeds carry consequence,
That truth must be based on evidence.

Not always easy to persevere,
Trusting a Dream is happening here –
World's a mess/something's wrong,
It's in your Heart's shelter we belong.
