

Stephen

Hidden beauty elegant twists,
Self aware perfectionist –
Refined schemas impeccable clothes,
Insights from out where Pluto goes.

Who this child who his mother,
Who Earth's sister father brother,
What living in his neighborhood –
Might explain if only words could.

Born with expanding electro thought,
Gentle in ways men aren't taught –
Dusted shelves desktop tight,
Galactic Planck length magic sight.

Careful organized clearly charming,
So on schedule a bit alarming –
Hard part of the job description,
Responsible diagnosis/prescription.
