

Samantha

Branching lightning crackling thunder,
Sunshine rain double bowed wonder –
An evening star's favorite daughter,
Offering time life giving water.

Mythic princess castle tower,
Moon forgiveness worrisome hour,
Moat bridge forgotten passage –
Analytical mind angelic visage.

Not ever really out of school,
More loving than the golden rule –
Always helping no matter the cost,
Hearts entrusted her never lost.

Lotus flower stretches yawns,
Individuating dusk to dawn –
Now needs you to communicate,
Read write open the gate.
