Hanging vines wisteria cascade,
Florescent birds endless glades,
Cobalt blue sky gulf coast day –
Paradise breaking wave away.

Storyteller border bound,
Your own way no getting around –
Self-determining self defining mind,
Gregarious intelligent abundantly kind.

Breast feeding species creative type,
Tending roots beneath the hype –
Incarnate a sea of light,
Fractal time piece of night.

White gold river bed of onyx,
Aboard the ferry crossing the Styx –
Trust there's more than can be seen,
Heaven prefers enigmatic means.
