

Viola

Wednesday morning coffee date,
Riverside and sometimes late –
Radiant / confident / moon near full,
Heady dialogue heartstrings pull.

Deep inside to high above,
Informed / thoughtful / creative love –
Joyous composed moments sublime,
Ribbon of space scroll of time.

Strong willed presence / haloed / quivered,
Kind of carefulness Venus delivers –
Passionate / meditative / intellectual bent,
Beyond question goodness meant.

Winds waves things getting perilous,
Yesterday yet more crude / treacherous –
Saturn notes deliverance costs,
A cascade to save lambs lost.
