

Annie

Tenacious heart diamond mind,
Shadow in a fold of time -
Capricious moon winter sun,
Unexpected wonder spun.

Cliffs where meet the broken sea,
Stoney meadows bended knee,
Platinum sky whispering snow -
What she means you never know.

Boardroom to kitchen table,
Hard working dependable -
Determined footsteps frozen fields,
The improbable falters impossible yields.

Act Two the curtain rises,
Promises magic artistic surprises -
If you can believe this fantastic play,
Metamorphic wedding day.
