Seeing world with clear inner eye,
Dazzling questions a child's why –
Long lost friend Luck re-found,
Horses in numbers gather round.

Everyday on down the line,
Holds far out notions regarding time,
Laughter smiles optimism –
His Love of human kindness helps him.

Intuitive insightful burning ice,
“Letting go,” he pays the price –
For truly authentic relationships,
A flicker past the Narrative grip.

hope he remembers to not look back –
He knows the passages every track,
Thru mountains cellos violins,
To the Land of Everyonewins.
