

Daryl

She's befriended avatars,
Midnight sky shooting stars,
Mountain cabin winter nights –
Cabernet and candlelight.

Descendant of lovers cells quarks,
Lasting treasure fireplace sparks,
Warm glowing sacred feeling –
Wonder sending logic reeling.

Serious playful conversations,
Respect dignity inspiration –
Prefers to delve beneath the stories,
Just doesn't fit the categories.

Civilization kindergarten wild,
No greater loss a Mother her child –
Saturn states the price this passage,
Mountainous strength enduring courage.
