Setting goals coming garden age.

Living architecture aporetic –  
Believes in science butterfly wings,  
Miracles wonder inspiration brings.

**F**irekeeper pathfinder focused mind,  
In a vein a stream of time –  
Mysterious friend without pretension,  
The world a mess no need to mention.

If monsieur it be your pleasure –  
What drives this world we humans making?  
What destination the road history's taking?
