Where purple seas meet almond sand,
hibiscus cushions for bees to land –
Given the chance we'd talk all night,
Go quiet at dawn's crescent light.

Bread and wine / trust and charm,
broaching topics cause for alarm –
Mystery novel / fairytale love,
Snowmelt from mountains high above.

Rivers of forgiveness / crystal mindset,
Intense and feelingful never to forget –
Greys and lavenders / morning's pulse,
Inspiring rooms / hallowed house.

Diamond earrings / Tahitian pearls,
Ocean's night song / endless swirls –
Broke and hurting the World turns to you,
Heart's joy and magic long overdue.
