Jane

Her winding moonlit mountain path,
Confounds categories / surpasses math –
Evokes the sacred lion lamb vision,
Innocence pursuing a Lifelong mission.

Smiles / laughter / sparkling Soul,
Heartfelt rushes / picture whole –
Calls loudly / sees what she's seeing,
Focused on the good / the core of being.

Cosmic adventure / fiery romance,
From Sierra Nevadas to South of France –
Window filled with crystal prisms,
Capable / motivated / reggae rhythms.

Distant mesa / desert rain,
By what grace this unnamed –
Teach us compassion / the other cheek,
Way forward to the World we seek.
