

Jessi

FOREVER in your now and then –
A dream emerges time bends,
Involving you in miracle,
You see past impossible.

FRIENDS abound living collage,
Coincidence fracture daily mirage,
A smile beyond uncertainty –
If only magic the same guarantee.

STRONG minded thinking complex,
SIRIUS sends you her respects,
Careful goals beautiful gifts –
Make the wish and meaning shifts.

The animals recognize your voice,
Butterfly wing crystal choice –
Just be honest keep your balance,
You're their best last lucky chance.
