

James

Along an edge a spiral galaxy,
Heart of the matter an epiphany –
Ups and downs celestial hymn,
Passing infinity between them.

Living interest in harmonizing,
Pursuing goals prioritizing –
Active energized enthusiastic,
Wild reputation friend fantastic.

holistic minded quick witted,
Good fortune concentrated –
World expanding time accelerating,
Never problem too intimidating.

Meanwhile politics on planet earth,
Total confusion what life is worth –
Kind of perseverance going to need,
Turn intentions into deeds.
