LIGHTNING preceding unchained thunder,
Flash of insight sudden wonder,
Double espresso a shot of thinking –
Smiles eliciting bells tinkling.

GRACIOUS host all the frills,
Telescopic storytelling visionary skills –
Knowing where you're going now,
Stimulating exciting into how.

TREASURING existential relationships,
Intuition giving language the slip –
Run on sentences missing commas,
Out of this world acute drama.

LETTER began dear fiery friend,
Desperate for help/can you attend –
Worlds sick in big time need,
Show us an identity opposite greed.
