FRIEND maker it happens to say,
FROM where beagles and rabbits play,
Eagles soar chipmunks peek –
Place clouds at sunset seek.

PIRATES never had MORE TREASURE,
Unbelievable in EXTRA measure –
Inspired sharp cuts right through,
Going somewhere that's you.

Falling on leaves flakes of snow,
Laughter and joy all come to know –
QUESTIONING curious 'bout the world,
How grain of sand becomes a pearl.

Lambs in the field deer in the woods,
Not everything right now like it should –
So PRACTICE your letters read and write,
We need guidance your love light.
