

Marianne

Out cracked fresco fading walls,
Beloved darkness return calls,
Dares the world unexpected stir –
Serious enchantment incurably sure.

Mountain storm cabin talk,
Piece of rainbow meadow walk –
Finding her eternal bones,
Grain of sand snowflake home.

Ocean portal tidal steady,
Strength courage responsible ready –
Simmering with terra wishes,
Unresigned to secret kisses.

Winter brook softly sighing,
Invitations masquerades flying –
Who be you the ticket taker asks,
Being definitive the essential task.
