Seen the roads sheets of ice,
Edge of mayhem roll of dice –
Pursuing dreams immaculate,
Garden times inviolate.

Troubling challenges late hours,
Shared goals chameleon powers –
Navigating narratives objectivations,
Thread the needle situations.

Earth will never forget this night,
Chocolate marquise cream delight –
Smiling cross a corner table,
Hinting miracle you're able.

Out from a politics Kafkaesque,
Fear for the children a mega mess,
To every religion's promised day –
Burden of knowing finding a way,
