**A** teacher, guide, guardian's theme,  
Improbable chance enduring dream –  
Mercury suggests a laser mind,  
Mars a gift for things well timed.

**T**he crowd hushes / theatre lights dim,  
Attentive audience faces grim –  
Act Two ended with a troubling scene,  
Will the unexpected intervene?

**C**urtain rises, the show goes on,  
Must be the hour right before dawn –  
Make no mistake, it's a difficult part,  
Yet Venus gave you a piece of her heart.

**I**n communal moments of beatitude,  
Or facing the infinity in solitude –  
Your kindness night and day,  
Leads to heaven's stairway.
