

Peter

Back to Alice's Caterpillar again,
And your reply sounding like Zen –
Self-directed / going where you wanted,
Refusing categories, being undaunted.

Already aware the answer within,
Being true to yourself where to begin –
Kindness, purpose, altruistic thinking,
Inspiration more than an inkling.

So what to expect befriending the wind,
Just asking, the Cheshire Cat grinned –
Besides Relationship / a Life purely magical,
Being alive in a World fantastical.

Must be a place it seems all hearts know,
A Global Community, Love crescendo –
Have you an idea which way from here,
Right now the direction's not very clear.
