

Rick

Standing there stones throw away,
Where the road forks maps say –
Guardian spirit if you will,
Mythic time river still.

Stellar navigator history professor,
Roof beam carpenter atlas successor –
Headed into an endless night,
Inspired goals seraphic sight.

Treasures memories earth rocks,
Moscow evenings Sausalito docks,
Montana foothills eagles soaring –
Thoughts breaking free their mooring.

Sunlight search a drop of rain,
Clarity a world insane –
Courage key in a play like this,
Leadership the trait most missed.
