

Regula

Wild rose rustling leaves,
Swift clouds watchful trees –
A story woven with never forget,
Sapphire friendships secrets kept.

Forever on your way somewhere,
Heaven bound to being there –
Wonder near a permanent condition,
Enduring candlelight apparition.

Magical mystical ancestral enactment,
Nothing compares your enchantment –
Sparkling river cascading falls,
Unexpected afteralls.

Hidden flower seldom heard song,
Unconscious connection doubtless belong –
Invitation down a garden path,
If you recall one meant to last.
