

# SARA

**P**ositively touching the sky,  
Stealing hearts catching eyes –  
Envisioning tomorrow made of care,  
Sending invitations go with you there.

**E**xciting adventurous infused with dream,  
Into discovering what existence means –  
Miracles unicorns cheshire cats,  
Transformative goals things like that.

**D**aring charm love that endures,  
Romantic notions mysterious allure –  
Talks with horses birds and dogs,  
At the crossroads with the frogs.

**U**nwrapped ribbons untied bow,  
Interrogates ev'rything high and low –  
From stories weave to games play,  
Concluding cleanup time today.
