QUIVERING GRASSES, WHISPERING TREES,
Only cherub wings create such a breeze –
Pointing the way in word and deed,
Helping Others in time of need.

FIERY ENERGY / INTELLECTUALLY INCLINED,
FRIENDLY / MOTIVATED / FOREVER KIND –
Non-linear STORY / ARCHETYPAL DREAM,
Every day closer to what BEING means.

ENVISIONING A PEOPLE WHO WELCOME THE LOST,
Host a PLACE FOR THE TEMPEST TOSSED –
The future HEARTS HAVE EVER HOPED FOR,
Holding open HEAVEN'S DOOR.

WITH YOU ALREADY MAKING IT REAL,
And SATURN DOWN WITH YOU ON THE DEAL –
There's a good chance you'll get what you need,
Can you tell where these CROSSROADS lead?
