

# Yasin

**S**TARDUST spun STRINGS FOR THE STORY,  
Cells wove sharing into ALLEGORY –  
Intuition bestowed wings,  
Time the joy friendship brings.

**C**OMPLEX picture evolved together,  
Money speech chaotic weather,  
Add in what the children face –  
Do we think home some other place?

**M**YSTERIOUS minded voice FOR CREATURES,  
Michelangelo's David's features –  
Paths some say cross again,  
Strewn with fallen petals Zen.

**E**YEING the denouement / braving the odds,  
Concrete landscapes / phones / pods –  
Hope / inspiration / paradise feel,  
Depending on what you're making real.
