

# Abel

**M**ountain road / night winter storm,  
None saw coming / some forewarned –  
Headlights tire tracks snowflake cascade,  
Steady / enduring / you don't fade.

**G**alactic generous / all know you as kind,  
Reserving the right to change your mind –  
Dashboard light / spellbinding strong,  
Planet in trouble the one you belong.

**S**tarring role in a human allegory,  
Crucial moment epochal story –  
Extra-dimensional timeless gift,  
With a whisper the weather shift.

**T**his close to heaven and doors shut,  
No bell to ring / you don't know what –  
Politely knock / give your best try,  
Sure to hear an angel sigh.
