Swaying lakeside weeping willows,
Gliding swallows stretching shadows,
Places goodness sprinkled stardust –
Voice the voiceless learned to trust.

Imaginative soul river mind,
Helping others gift giving kind –
Turning corners ever utmost care,
Elegant scarves few would dare.

Get ready cause when she says, “Change,”
Doesn't intend a rearrange –
Curtains dimensions ceiling walls,
Whatever the situation calls.

Mountain climbings never easy,
Were ever things not this crazy –
“Good news, one more mile,”
Gatekeeper tells you with a smile.
