

Dana

Amethyst cliffs emerald sea,
Windswept coastline breaking free –
Lifelong lessons instant zen,
Eyes you long to see again.

Time pirouettes candles burn,
Human vision dream return –
Intelligent hardworking most of all kind,
Childrens children on her mind.

Cello playing moon night water,
Earth's wholly altruistic daughter –
Redemptive part a complex score,
Could football be a metaphor?

Nothing impossible she believes,
Beyond revolution can conceive –
Camel through eye of a needle love,
New Jerusalem come down from above.
