**R**IVER STORY a seagull told,  
Of a moment a space a fold,  
Poets mind unwinding string –  
Cloud changing everything.

**G**ENEROUS spirit helping hand,  
Build you castles in the sand,  
Take you where you want to go –  
Worlds only wild winds know.

**G**IFT giver everyone sees,  
Nice as anyone can be,  
Real human being a natural –  
Making our wishes actual.

**J**UST when the Children needed a Savior,  
Earth a special planetary favor –  
Forgiveness and a little more...  
Dance through the dream door.
