

# JERRY

**M**YSTERIOUS as earthly winds go,  
Willows sway branches bend low,  
Evening secrets daybreak whispers –  
Introducing a master fixer.

**G**ARDENER skills utopian heart,  
Gives his all right from the start –  
Repair your trust if that be broken,  
Dreams keys gates open.

**I**NTELLIGENT kind scientific type,  
Aware what's coming down the pipe,  
Reality produced/a TV world –  
Lies politics and money swirled.

**A**LL the tools a complex brain,  
Sees we're held by invisible chains –  
More in mind than a taste of freedom,  
Gift envisioning longed for Eden.
