

# MARIEE

**O**ut from the hour just before dawn,  
At the gate chance not yet gone –  
Voices calling for a love uprising,  
Sustainable world uncompromising.

**L**ion moon unfathomed skies,  
Helping us open up our eyes –  
Inventive /encouraging /enthusiastic,  
Unmistakably pluralistic.

**K**nown for kindness /unexpected gifts,  
Revolutionary altruistic rebellious riffs –  
The world of sharing you've in mind,  
Til now to fantasy confined.

**h**orizons widen day breaks,  
From a bad dream humans wake –  
Improbable and yet a sliver,  
If magic needed you deliver.
