

# TREVOR

White capped waves erase the beach,  
Leave only memories footsteps reach –  
Promise of daylight / relentless rain,  
World midst birth's labors pain.

Trusted teacher / winsome stranger,  
Table turner / mind changer –  
Air of wonder / radically honest,  
Generosity's star / integrity's guest.

Knows what's missing where it's gone,  
Kind of savior the dream relies on –  
Altruistic / complex / time wrinkles,  
Moroccan tagine ginger sprinkles.

Back to where we were in the play,  
Trees bend / grasses sway –  
As Justice raises her bowed head,  
Liberty calling out in dread.
