Drops of rain a mothers nest,
Part her idea the sea confessed –
Heavenly treetops creaturely floor,
Forest symphony circular score.

Quantum wholeness living sense,
Past future all present tense –
Billowing clouds unstoppable tears,
Single moment a million years.

Compassionate cooperative nurturing wise,
Forgiving smile grateful sighs –
Dares interrogate what the ego did,
Aiming for love assumptions forbid.

Dream minded spiritual smarts,
A beautiful key the eternal arts –
Meant to bring the gift of change,
Break us free from narrative chains.
