Wandering shadows winds wove,
Cool quiet eucalyptus grove –
Sheltering canopy tall masted trunks,
Tranquil patience contemplative monks.

Cloud reaching angelic intentions,
Non-local non-temporal dimensions –
Hardworking/responsible/kind,
Guardian spirit friend combined.

Professorial sense a deeper order,
Deconstructing narrative borders –
Steady/enduring/transformational goal,
Stochastic night/discerning soul.

Lifetime of reliable still you don't quit,
Add clear leadership for a perfect fit –
As all can see this ego world's broken,
Cracks in its shell only wait breaking open.
