

LISA

Slow walking the embarcadero,
Talking politics/history's arrow –
How change happens / Life's spiral ladder,
Loves to get to the heart of the matter.

Renown for kindness / ethereal glow,
Helpfulness / knowing how things go –
Should wind and rain come without warn,
She'll be there with you through the storm.

Multiple narratives / a single smile,
Acts of altruism very long file –
Spun from metaphors / a dash of chance,
Friends forever loves to dance.

Strong willed / compassionate / checks her phone,
Sun breaks through / a quick call home –
She and the Garden must have talked,
Someone left the Gate unlocked.
