

Valerie

WINTER STREETS IN NIGHT SNOWS,
ON AND ON, THE QUIET GROWS –
FROM SACRED BLACKNESS HEAVEN'S SKY,
AS DIFFICULT A TRANSITION THE WORLD COULD TRY.

ENCHANTING, RELIABLE, CRYSTAL CAPRICE,
HARDWORKING, RESPONSIBLE, TO SAY THE LEAST –
A HEART THAT KNOWS ABOUT WALKING UPHILL,
STRENGTH, REASON, UNDAUNTED FREEWILL.

NO ONE EXPECTED IT COULD GET THIS COLD,
SO OUT OF BALANCE, CORRUPTION SO BOLD –
YET THIS IS THE WORLD ENTRUSTED TO US,
IN AN HOUR GROWN LATE AND SERIOUS.

SATURN STATES THE ISSUE IS EQUALITY,
CALLING FOR HONESTY, FAIRNESS, DEMOCRACY –
MERCURY WOULD LOVINGLY CHANGE EVERYTHING,
THINKING ABOUT TOMORROW BRINGS.
