

# Andrew

**M**olten gold sears Earth's edge,  
Helios rises/fulfills her pledge –  
Excites the wind/awakens hearts,  
Queries goals/models leadership arts.

**C**ourage/kindness/hospitality's ideal,  
Cultivating possible in face of unreal –  
Homebody/quick witted/pointedly Tao,  
Phoenix from grains of I-and-Thou.

**T**reats every creature with reverence,  
Wonders at the ways all differ here –  
Fiery minded/generous with respect,  
Where love and gratitude intersect.

**L**ove-life cell-life treasures inherited,  
Wisdom earned/friendships merited –  
Distant rumbling/rumors going round,  
Pray tell the story/what's coming down?
