JK

Late summer morning quiet quay,
Slow cappuccino sidewalk café –
Talking equality perfection art,
Trace of forever firebird heart.

Cast gold as the sun at the edge,
Face to face Creation's pledge –
Rising o'er our bleeding sky scrapes,
Understanding gentle soulscapes.

Honest thought-out enlightened leaps,
Crossing chasms mentalities keep –
Glowing emergent shades of blue,
Careful protective mother's view.

Deciphering messages answering calls,
Fragments/scrolls /Matryoshka dolls –
To revisit the sacrifice stars all make,
Birth the light/the darkest wake.
