

# Jennie

Carefully opening shell of day,  
Waking dream sculpting clay,  
Rising o'er fields summer grain –  
Being herself without restrain.

Golden sky silver threads,  
Sun and moon metaphysically wed –  
Lion eagle trumpeter swan,  
Honesty equality justice dawn.

Often late never minding lines,  
Organizing skills perfectionist signs –  
Ways and means of raising dust,  
Saying/doing what you must.

The timeless visions you're about,  
Twenty-four karat inside and out,  
Winning hand now the deal –  
What on earth will you make real?
