Summer morning patio table,
Wonder only an Other enables –
Better than winning the whole casino,
Chocolate croissant and cappuccino.

Dew laden grass / sun rising glory,
Sorting problems / growing story –
Squirrel little ones nest soft fur,
Hungry baby birds' wings a blur.

Face to face Earth's moonlight daughter,
Informed with honesty / more than half water –
Paintings and pictures defining choice,
Equality / freedom / vision your voice.

Clouds shape shift into afternoon,
Lengthening shadows / in-process loom –
Venus and Saturn in an evening clear,
Ask what wish / what you see coming near.
