WARM soft summer afternoons,
ARRIVING scenes never too soon,
Heaven wished for days so clear –
Chicory sky meadow deer.

RIVERSIDE pirouettes queen annes lace,
Lions heart saints face –
Reliable sister caregiving kind,
ASSERTIVE soul feelingful mind.

GUARDIAN difficult mountain pass,
HARD at work formidable task –
Loving ways hold you tight,
LATE mornings all the night.

NO doubt learned the ships going down,
Abundant evidence all around –
ART holds your eternal key,
A way to deliver reality.
