

Leslie

Over cappuccino breakfast crêpes,
Wrapped in coincidence / stardust inscapes –
Glowing rising winged morning,
Soft warm love without warning.

Enlightened / assertive / sisterly,
Affinity for home / sparkle of sea,
Real from dream / sun from rain –
Adding her opal to the glass bead game.

Cat in the window / conch on the shelf,
24K honest / true to herself –
Feelingful / creative / leadership skills,
Harmony the background all she wills.

Freedom irrepressible / truth unchained,
Hears eyes calling the perennial refrain –
God knows the secrets in your locket,
Our troubled planet you can rock it.
