

# Mick

Untamed visionary heart of gold,  
Individuating in dandelion bold –  
Words on fire stardust mind,  
Perfectionist would come unsigned.

Going to do whatever he will,  
Like no one else could fit the bill –  
Thunder punctuated early morn,  
Horizons edge cooking up a storm.

Twinkling sparkling assertive definitive,  
Turning the world into infinitive,  
Warm peaches fresh cream –  
Mythic rule twister supreme.

What say,  
If ask words may,  
In just one or two –  
What pray are we going to do.
